

## TONY EL TOM • CINEMATOGRAPHER

*Raised in Dortmund, Germany Tony discovered his passion for moving images at early age, while visiting the local cinemas with his father.*

*After High School he worked as a camera assistance for documentary films. In 1998 he started to study cinematography at University of applied Science in Dortmund. During his studies he worked as a 1st AC and lightning technician for several TV Drama and TV Series Productions. He graduated his studies with diploma in 2004. Since then he is working as DoP mostly on commercial productions and music videos.*

*With the strong believe that pictures can speak louder then words, Tony's career focuses on lifestyle, beauty, storytelling and cars.*

*Working as 1st AC and lightning technician back in the days when production used to shoot on film made Tony an expert in lightning and gave him the necessary technical background to quickly adjust to todays fast changing camera systems and workflows.*

*Recently he worked for Brands including BMW, Claas, Allianz, Cortal Consors, Mint&Berry, Gauloises, John Player Special, Apple and Sprite.*
